The United States of America charges:

**MAGISTRATE JUDGE VALDEZ****Count One: Conspiracy to Commit an Offense Against the United States**

1. JOEL M. GOSTOLMELSKY ("Defendant") is hereby made a defendant on the charges stated below.

2. Beginning in or about March 2000 and continuing until at least April 2007, in the Northern District of Illinois, Eastern Division, Defendant and co-conspirators entered into and engaged in a combination and conspiracy to commit an offense against the United States. Namely, the Defendant agreed to allow a co-conspirator, who was an employee of the United States Department of Veterans Affairs ("Individual A") and co-conspirator Individual B (who is Individual A's spouse), to transact business in matters which Individual A participated personally and substantially in his official position as a Government employee at his place of work, and in which Individual A's family had a financial interest, in violation of 18 U.S.C. § 208(a) and 18 U.S.C. § 216(a)(2).

OBJECTS OF THE CONSPIRACY

3. The objects of the conspiracy were to: (a) enable Company A, a company organized and controlled largely by Individual A, to provide temporary pharmacists on a recurring basis to the Hines, Illinois, VA Consolidated Mail Outpatient Pharmacy ("CMOP") during the relevant period; (b) submit materially false and fraudulent statements to VA officials and legal counsel which misrepresented Individual A's true role within Company A, and his activities on behalf of Company A while working at the Hines VA CMOP; and (c) use Company A and a related company to hire family members and other acquaintances to work at the Hines VA CMOP.

MEANS AND METHODS OF THE CONSPIRACY

4. For the purpose of forming and carrying out the charged combination and conspiracy, Defendant and co-conspirators did those things that they conspired and agreed to do, including, among other things:

(a) on or about May 17, 2000, Defendant falsely represented Individual A's true role in the operations of Company A to Defendant's superior in order that Company A could obtain clearance to do business at the CMOP. Also, Defendant falsely represented that Individual A was not involved in the ordering of temporary pharmacists for the CMOP;

(b) thereafter, Defendant knowingly and willfully disregarded his superior's direction that Individual A be insulated from contact with Company A while performing his duties at the CMOP; and

(c) on or about September 27, 2002, Defendant falsely represented Individual A's true role in the operations of Company A to the VA's Office of General Counsel in order that Company A could obtain clearance to continue to do business at the CMOP. Defendant falsely

represented that Individual A had no role in the operations of Company A, and Defendant falsely stated to VA counsel that Individual A would be removed from the process of reviewing or deciding employment actions on behalf of Company A.

OVERT ACTS IN FURTHERANCE OF THE CONSPIRACY

4. In furtherance of the conspiracy and to effect the objects of the conspiracy, the following overt acts, among others, were committed in the Northern District of Illinois, Eastern Division:

(a) In or about April 2004, the exact date being unknown to the Grand Jury, Defendant and Individual A agreed to pay certain full-time pharmacists who were employed by Company A at a higher pay rate than those employees had previously been paid.

(b) On or about April 21, 2004, Individual A prepared and sent a Statement of Work justifying the higher pay rate to the CMOPs financial manager.

(c) In or about December 2004, Defendant notified the CMOPs financial manager that he approved of a higher pay rate for certain full-time pharmacists employed by Company A.

5. Various business entities and individuals, not made defendants in this Information, participated as co-conspirators in the offense in Count One, and performed acts and made statements in furtherance thereof.
